Staff EDI Committee

MISSION STATEMENT

We are committed to building a model working environment for equality, diversity, inclusion and inter-culturalism, where social justice, addressing inequality, and empowerment underscore our every action. Greater inclusion reflects community expectations of fairness in all aspects of the administration of the law, and ensures an organisation that is more representative of the composition of the community it serves.

Our Vision

The Bar of Ireland Staff EDI Committee's mission is to promote and facilitate an inclusive workplace in which all feel welcomed and valued and prejudices are not tolerated; fostering a culture that ensures the full, equal and effective participation of every employee in their service to the Bar and its members.

Our Objectives

The Staff EDI Committee at the Bar of Ireland is dedicated to bringing a heightened emphasis on equality, diversity and inclusion from a staff perspective.

The Committee's overarching objectives include:

- The development of an all-inclusive EDI plan;
- EDI staff trainings and resources; and,
- The implementation of more inclusive approaches to recruitment and retention.

This EDI Statement is approved and endorsed by
